## From the Pastor...

Christmas was in the air last weekend as our parish **Women's Club** hosted another outstanding **Christmas Bazaar** on Saturday morning. It was a great success featuring arts and crafts, holiday decorations, baked treats and terrific raffles. Special thanks to Anne Cooney and to all the ladies who helped to make it such a great event!

You may have noticed that we have a couple of projects underway around the church. We are finally getting **new and improved lighting for the parking lot**. It has been two years in the works with several setbacks, but the project is now underway and I hope that it will be completed soon. We are installing energy-efficient LED lights to illuminate the parking lot behind the church and the pathway leading up to Father Greenan Center.

Also, as you enter the church from the back parking lot, we are **creating a prayer garden with a new statue of St. Francis of Assisi**. This project is being fully funded by a generous parishioner who prefers to remain anonymous. It is dedicated to the clergy and religious sisters who have served St. Francis Parish over the years. The statue is on a ship from Italy and should be arriving any day. We hope to have the statue in place soon and the landscaping will be completed in the Spring.

You may also have noticed that we have relocated the dumpsters to improve the appearance of the parking lot and to open up three additional parking spaces. As you well know, our parking is limited and it helps to use the double depth spaces along the side of the parking lot. I know some are hesitant to park there for fear they won't be able to make a quick escape after Mass. I just caution those who like to linger talking or who are going on to religious education and will be delayed not to park in the spaces that block others in. It's a little complicated, but it can work well if everyone cooperates.

**On another note, several people have asked about our having a collection for the victims of the typhoon in the Philippines. I was waiting for a Sunday that we didn't have a scheduled second collection. We will have the collection on the weekend of December 22. There is no envelope for this collection so you can either give a loose donation or, if you wish to have it recorded with your annual giving, you can place it in a plain envelope with the notation "Typhoon Collection" and your budget envelope number.**

Finally, everyone should soon be receiving a mailing with the overall results of our recent **Increased Offertory Appeal**. As you will see, the response was remarkably good. I am very grateful to all who responded and to the many that increased their level of giving. Your ongoing commitment and generosity will make this effort a great success and ensure the financial stability of our parish for years to come.

*Msgr. Theroux*

### **Family Liturgy:**

#### **The Season of Advent**

Please join us next Sunday, December 15, at the 10AM Mass in Saint Francis for our monthly Family Liturgy. In a special homily geared toward the children, we will explore the principal symbol of this season, the Advent Wreath. Since Advent is the season that prepares us for Christmas, we will also talk about the important guest we will be welcoming in just a few weeks (hint: the only guest on his way isn't Santa!)...
