From the Pastor

Just a few words of explanation on the financial report that was included in last week's bulletin: The \$34,000 difference in church expenditures between fiscal years (FY) '13 and '14 is due mostly to the addition of lighting in the parking lot, the renewal of the bathrooms, the repainting of Helen Bouchard Hall and the huge cost of snow removal last winter, as well as to the cost of the increased-giving campaign. The reduction in rectory spending from FY '13 to '14 is because in the former year the windows had to be replaced and the heating and hot-water systems updated.

One of the biggest differences between the two years under consideration is the rise in income from the Sunday collections and the on-line giving. Thanks to the increased-giving campaign the income went up over \$78,000. This allowed us to finish in the black by \$6,000.

Three additional notes: First and foremost, the bible teaches that 10% of our income must be given in charity as a thank-offering to God. Decide what percentage of that should go to your parish. Second, please consider switching to on-line giving. It's easier for you and for us. Go to stfranciswakefield.com and follow the instructions. Third, let me express my sincere appreciation to all who support the parish financially through regular giving. Some are making real sacrifices for the continuation of "The Mother Church of South County."

Catholic School Assistance

Parents,

Now is the time to turn in tuition assistance applications for the 2015-2016 school year. If you have not yet received your forms from the school, please call and inquire about them.

Regarding Catholic School Assistance:

The Diocese of Providence urges all parishes to support Catholic Schools by giving aid, as far as possible, when parents request it. As a believer in the value of Catholic Schools, I am happy to do that, both to the fullest extent allowable, and to the extent that the parish can afford.

Some things to note, however! Eligibility for consideration requires that families are:

1. Registered members of St. Francis of Assisi Parish;
2. Contributing members for at least a one year period;
3. Attend church and are actively involved;
4. All applications are turned in to the parish office, whether your child has been accepted yet or not, by March 30.

So, assistance is based on the assumption that there is a *need*, and that the family would not be able to afford sending a child without it. Also, as mandated by the Diocese, the parish only assists students in Kindergarten through Grade 8.

If you haven't already done so, please get your tuition applications into the parish office so that we can begin to look at our budget for F/Y 15-16. Thank you.

Hiring ... St. Francis Cemetery

We are looking for someone to take over management of the parish cemetery. This individual would be responsible for Accounts Receivable billing, deposits and posting into Quickbooks, a custom software created for St. Francis Cemetery, as well as keeping well managed records on paper and online. This is a very special ministry to grieving families and those interested in purchasing pre-need lots. Reading maps is a plus. Close collaboration with funeral homes in making necessary burial arrangements. First and foremost, applicants should be aware that this is a ministry and must possess compassionate communications skills.

Individuals interested in this very special ministry should contact Fr. Bodah at 783-4411.
