On Saturday, April 11, 2015—the Vigil of the Feast of Divine Mercy, Pope Francis promulgated the papal document Misericordiae Vultus which officially declares the extraordinary Jubilee Year of Mercy from December 8, 2015—the Solemnity of the Immaculate Conception through November 20, 2016—the Solemnity of Christ the King. Below is an excerpt from that document recently published as a meditation in the MAGNIFICAT Year of Mercy Companion (p. 88).

Misericordiae Vultus

This is the opportune moment to change our lives! This is the time to allow our hearts to be touched! When faced with evil deeds, even in the face of serious crimes, it is the time to listen to the cry of innocent people who are deprived of their property, their dignity, their feelings, and even their very lives. To stick to the way of evil will only leave one deluded and sad. True life is something entirely different. God never tires of reaching out to us. He is always ready to listen.... All one needs to do is to accept the invitation to conversion and submit oneself to justice during this

special time of mercy offered by the Church. It would not be out of place...to recall the relationship between justice and mercy. These are not two contradictory realities, but two dimensions of a single reality that unfolds progressively until it culminates in the fullness of love.... Mercy is not opposed to justice but rather expresses God's way of reaching out to the sinner, offering him a new chance to look at himself, convert, and believe.... God does not deny justice. He rather envelops it and surpasses it with an even greater event in which we experience love as the foundation of true justice.... God's justice is his mercy given to everyone as a grace that flows from the Death and Resurrection of Jesus Christ.

~ Misericordiae Vultus 19-21

“JESUS CHRIST IS THE FACE OF THE FATHER’S MERCY.”

Pastoral visit to Peace Dale House

THANK YOU!

The Social Outreach committee would like to thank our parish family for the tremendous response to the Thanksgiving Food Drive. Because of your generosity we collected over 800 pounds of food. The Jonnycake Center of Peace Dale used our food donations to help hundreds of families in need during the holidays. Our faith reminds us that the greatest blessing comes in sharing what we have with others. Thank you again for your continued generosity.

Baby Jesus Rocks

Many inquiries have come into the office about the "Jesus rocks" found around the church grounds leading up to Christmas. Father Bodah explained what they were the week before Christmas at one of the daily Masses and Mrs. Cullen submitted an announcement as an explanation for the parish bulletin which didn't actually make it into the bulletin with holiday transmittal deadlines. One comment was made over and over again, "what a great project!" We couldn't agree more! Please find below the explanation for the mysterious little rocks with pictures of the baby Jesus on them.

Secret Jesus Activity

The children in our religious ed classes have been busy making "Jesus rocks". They placed an image of baby Jesus on a rock and placed the rocks about the church grounds and even secretly, placed them around town!

The idea came from a website called Catholic Inspired and they credit an anonymous artist who originally hand painted the image of baby Jesus on rocks/pebbles and spread them around for people to find ... he "simply wanted to bring joy and the real message of Christmas to people."

So if you found one of these Jesus rocks, keep it or pass it on but remember that "Jesus is the Reason for the Season."

Merry Christmas!

Thank you for your care and concern for those in our community who are in need. May you have a blessed New Year!
