JUNE 5, 2016

From the Pastor

Thanks to all who are doing their best to accommodate themselves to the new summer Mass schedule. God bless you for your loyalty to the parish even at some inconvenience to yourselves. I was also happy to hear from several people that they actually prefer Mass at 9 a.m. Please God, we'll also retain the financial support of our parishioners, upon which we depend from week to week.

This weekend, the Moynihans are in California for the wedding of their eldest son, Robbie, a graduate of West Point, who is stationed in Tacoma, Washington. I have every confidence you will continue to make Deacon Patrick and Christiana feel welcome as they transition from their years in Haiti back to life in the States.

This week the financial council will meet to assess the position of the parish so far this fiscal year and make some plans for the future. Obviously, we need to recoup the expenses of the new parking lot. The boiler in the church is in need of some serious attention (I take it that we all prefer to attend Mass in the winter in a church with heat ☺). The roof of the chapel is in need of replacement and I hope the summer visitors who go there can also do their part to help keep up St. Romuald's.

The confirmation program is gearing up for summer sessions and parishioners are preparing for the younger children's vacation bible school later this month. The youth and their advisers are working hard to finance their participation in the Steubenville East Catholic youth conference later this summer.

I am continually amazed at the number of parishioners who give so much of their time in service to the Church in addition to their financial loyalty. What a great tribute to the tradition of our parish that so many sacrifice so much to make the parish what it is.
