#### ST. THÉRÈSE OF THE CHILD JESUS

Saturday, October 1st is the Feast Day of St. Thérèse of the Child Jesus also known as St. Thérèse the Little Flower. The world came to know Thérèse through her autobiography, "Story of a Soul". She described her life as a "little way of spiritual childhood." She lived each day with an unshakable confidence in God's love. "What matters in life," she wrote, "is not great deeds, but great love." Thérèse lived and taught a spirituality of attending to everyone and everything well and with love. Thérèse's spirituality is of doing the ordinary, with extraordinary love. We could all learn a lesson or two from this great doctor of the Church. If you've never read "Story of a Soul," put it on your must read list. *St. Thérèse of the Child Jesus, pray for us.*

#### OUR LADY OF THE ROSARY

Friday, October 7th is the Feast of Our Lady of the Rosary. A brief history on this feast: In 1571 Pope Pius V instituted "Our Lady of Victory" as an annual feast to commemorate the victory of Lepanto. The victory was attributed to the Blessed Virgin Mary, as a rosary procession had been offered on that day in St. Peter's Square in Rome for the success of the mission of the Holy League to hold back Muslim forces from overrunning Western Europe. In 1573, Pope Gregory XIII changed the title of this feast-day to "Feast of the Holy Rosary". Pope St. Pius X changed the date to 7 October in 1913, as part of his effort to restore celebration of the liturgy of the Sundays.

#### ROSARY PRAYED WEEKDAYS AT 7PM AT ST. ROM'S

Did you know that our parish has a great devotion to the Most Holy Rosary and we pray it every weekday at St. Romuald Chapel during the months of May, August and October—Our Lady's months. Won't you consider joining us throughout the month of October at 7:00PM to pray this great prayer in union with Our Blessed Mother for all the intentions of your heart. On the Thursdays of October, we'll also offer a special holy hour with Adoration of the Blessed Sacrament. All are most welcome. Why not bring your friends and family!

## FROM THE PASTOR...

Those of you who receive our diocesan newspaper, the *Rhode Island Catholic*, may have noticed the front page story about the record enrollment this year at the Seminary of Our Lady of Providence. If you looked carefully at the photo of a group of seminarians in the chapel, you may even have recognized one of them. I am proud to say that Stephen Battey, one of our own parishioners, is among those young men pursuing a vocation to the priesthood. While continuing his college education at Providence College, Stephen will be living at the seminary and participating in the formation program. As a part of his pastoral formation, he will be assisting us here in the parish in different capacities on weekends. Father Joe and I are very happy to have a parish seminarian and we ask you to join us in encouraging and supporting him particularly with your prayers. I also ask that you pray for all the young people of our parish that, as they grow in faith, others may be inspired to pursue a vocation to the priesthood or religious life.

Last weekend we celebrated Catechetical Sunday in our parish. The many men and women who volunteer their services as teachers in our religious education program gathered at the 10:00 AM Mass for a special blessing as they begin the year. On behalf of our parish community, I thank them for their willingness to take on this challenging responsibility. Passing our faith on to the next generation is critically important and the teaching and example of faith offered by these catechists can make a tremendous difference in the lives of our young people.

Next weekend is our Parish Festival Weekend. Spiritually, we will celebrate the feast of our patron saint, Francis of Assisi. Bishop Tobin will be with us on Saturday evening to celebrate the 5:30 PM Mass in honor of Saint Francis and to formally install me as your new pastor. I hope that many will join us for this festive celebration and to greet our diocesan bishop as he visits our parish. In addition, our Parish Festival committee has been working for months to organize a number of family activities for the weekend. The details are elsewhere in this bulletin...the festival promises to offer fun for all ages and the opportunity to win some great prizes. Please join us in making these events successful in celebrating our parish community spirit.

Msgr. Theroux

### ATTENTION HIGH-SCHOOLERS

# WELCOMING THE NEW TRANSLATION OF THE MASS

## A Six-Part Series

### *Part Two: An Opportunity for Spiritual Growth*

As you know this fall the English-speaking Catholic world will welcome a new translation of the Roman Missal. Pope Benedict XVI and the bishops of the United States have approved these new texts for Mass, which will be used at St. Francis and St. Romuald as well as every English speaking parish in the world. Over the next several weeks we will discuss some of the specific changes, but first it may help to highlight some general principles.

The Mass celebrated every Sunday—and indeed everyday—is the single most important thing in the world. It is not simply a chance to gather together but rather makes present the most significant event in the history of the world—the sacrifice of Jesus Christ on the Cross of Calvary. At Mass, we offer fitting worship to God. We proclaim God's Word and are fed with the Bread of Life. Mass is about worshipping God and sanctifying—making holy—His people.

Since the Mass is so important, we want to get the details just right. In fact, while at Mass our participation is primarily about the interior prayer we offer, our external actions and our fidelity to doing them properly, demonstrate our love for the reality we celebrate. The Church offers instruction on how to celebrate Mass, describing both words and gestures. Just as the rules of baseball do not restrict play but instead make the game possible, the rubrics or rules of the liturgy make our worship fitting, dignified, and solemn.

Some of the new texts may appear awkward at first as they use more formal language emphasizing the dignity of what is being celebrated. This makes sense though, as the Mass ought not be like any other activity, using the same type of language we would use elsewhere.

The celebration of Mass, offering fitting and beautiful worship to God, is at the same time, the most important means we have to become holy. The liturgy should be the basis of our prayer. That's why it is a good idea to pray with the texts of the Mass, certainly the Scripture readings but also the other prayers of the Mass as well. These are the privileged words of encounter between God and His people. That encounter takes place through the language of the Church.

As we begin to learn these new texts for Mass we might pray to allow them to penetrate our hearts so we can be more and more conformed to the divine mysteries we celebrate. Over the next several weeks, we will discuss the specific changes to the texts. To learn more about them, please visit the diocesan website designed for that purpose [www.riliturgy.com](http://www.riliturgy.com)
